

36V 8Ah 25AMP Electric Bike Battery Customized Lithium Battery Pack for Electric Bike Battery

Basic Information

- Place of Origin: China
- Brand Name: enook
- Model Number: Lithium Ion Battery Pack

48V12Ah

18650-13S4P

Product Specification

- Certifications: CE, FCC, RoHS
- Voltage/Capacity: 12V 24V 36V 48V 60V 72V 45Ah
- Self-discharge: 30 Days ≤5% In 25
- Model: Customized Battery Pack
- Weight: Customized
- Type: Lithium-ion
- Highlight: **8Ah Electric Bike Battery,**
36V Electric Bike Battery,
25AMP Electric Bike Battery

Product Description

Product Description:

Customized Battery Pack

The Customized Battery Pack is a high-quality, versatile, and reliable power source that is specially designed to meet your specific needs and requirements. With its modifiable features and customizable solutions, this battery pack offers the perfect solution for your unique power needs.

Weight: Customized

The weight of the Customized Battery Pack is completely customizable to meet your specific needs. Whether you require a lightweight battery for easy portability or a heavier battery for longer run times, our team can customize the weight to suit your needs.

Voltage/Capacity: 12V 24V 36V 48V 60V 72V 45Ah

The Customized Battery Pack is available in a wide range of voltage and capacity options to cater to your power requirements. We offer 12V, 24V, 36V, 48V, 60V, and 72V options with a capacity of 45Ah. Our team can also work with you to create a custom voltage and capacity combination to meet your specific needs.

48V12Ah

18650-13S4P

Applications:

Customized Battery Pack - Perfect Solution for Your Energy Needs

Modifiable Battery Pack - Choose the voltage and capacity that best suits your energy needs.

Customizable Energy Pack - Designed to meet your specific energy requirements.

Customizable Energy Pack Solution - A perfect solution for all your energy needs.

Lithium-ion technology - Provides high energy density and longer lifespan compared to traditional batteries.

Lightweight - Our battery packs are designed to be lightweight, making them easy to carry and install.

Application

Our Customized Battery Pack can be used in various applications, including but not limited to:

Solar Energy Storage - Store excess energy generated by solar panels for later use.

Electric Vehicles - Power your electric vehicle with our reliable and efficient battery pack.

Portable Power Supply - Use our battery pack as a backup power source for your portable devices.

Marine and RV - Power your marine or RV appliances with our long-lasting battery pack.

Customization Process

Our Customized Battery Pack is designed to provide you with the flexibility to choose the voltage and capacity that best suits your energy needs. Our customization process is simple and efficient:

Contact us with your energy requirements.

We will design a battery pack that meets your needs and provide you with a quote.

Upon confirmation, we will begin production and deliver your customized battery pack.

Conclusion

With enook's Customized Battery Pack, you no longer have to settle for a one-size-fits-all solution. Our modifiable and customizable energy pack is the perfect solution for all your energy needs. Trust enook, your reliable energy partner.
